RE: Psychiatric Inpatient Providers and Hospitals

Psychiatric Inpatient Providers (including Psychiatric admissions to Hospitals),

On March 1, 2019, the PASSEs will start managing the total health care of individuals who receive high-level developmental disability and behavioral health services.

Due to the upcoming implementation of the PASSE system, Empower Healthcare Solutions has updated the billing codes for Psychiatric Inpatient. For claims to be processed timely and with no errors, please use the codes below when billing Empower for current Psychiatric Inpatient.

Thank you.
